Acme Pty Ltd — Privacy Policy

This policy explains how Acme Pty Ltd ("Acme", "we", "us") collects, holds, uses and discloses personal information, and how you can access or correct it. This policy is reviewed annually by our Privacy Officer and the current version is always available on our website and on request, free of charge.

1. About this policy

1.1 This policy applies to personal information collected through our website, our mobile app, our call centre, and in the course of our retail operations in Australia.

1.2 If you have a complaint about how we have handled your personal information, you can contact our Privacy Officer at privacy@acme.example.com. We will acknowledge your complaint within 5 business days and aim to resolve it within 30 days.

2. What we collect and why

2.1 When you create an account, we collect your name, email address, postal address, phone number and date of birth, to create and administer your account and to provide you with the products and services you order.

2.2 When you make a purchase, we collect payment details (processed by our payment provider, not stored by us) and purchase history, to process your order and for our own records under tax law.

2.3 At the point we collect personal information — at account creation and at checkout — we display a notice describing what we collect, why, and who we may disclose it to, with a link to this policy.

3. How we use and disclose your information

3.1 We use your personal information to provide the products and services you have requested, to respond to your enquiries, and to comply with our legal obligations.

3.2 We do not use your personal information for direct marketing, and we do not disclose it to any third party for that third party's own direct marketing, unless you have given us your opt-in consent. You may withdraw

this consent at any time by using the unsubscribe link in any marketing message or by contacting us.

3.3 We disclose personal information to our logistics partners, our payment provider, and our IT service providers, solely to the extent necessary for them to provide services to us.

4. Overseas disclosure

4.1 Some of our service providers, including trusted global service providers who support our IT systems, are located outside Australia. We take reasonable steps to ensure any overseas recipient of your personal information handles it consistently with the Australian Privacy Principles.

4.2 A current list of the countries in which our overseas service providers are located is available on request from our Privacy Officer.

5. Security

5.1 We take reasonable steps to protect the personal information we hold from misuse, interference, loss, and unauthorised access, modification or disclosure. Further detail on our technical and organisational controls is set out in our internal Data Security and Retention Policy.

6. Access and correction

6.1 You may request access to the personal information we hold about you, and request that we correct it if it is inaccurate, out of date, incomplete, irrelevant or misleading. Our process for handling these requests is set out in our Access and Correction Request Procedure.

6.2 We will not charge you a fee for making a request for access or correction.
